# CADC Money Smart

## Make Your Money Work

### Central Arkansas Development Council

Building Futures  
 Through  
 Community Action  
[www.cadc.com](http://www.cadc.com)

CADC provides services in 12 counties in Arkansas. Contact any of our local offices for more information about the programs and services offered in your area.

## How it Works

CADC's Money Smart program provides the foundation for saving and investing wisely through the use of the FDIC Money Smart curriculum.

It is the basis for the responsible use of credit and money, and for making informed financial decision that can affect your family and your future.

Central Arkansas Development Council offers money management training to help individuals broaden their financial planning and management skills.

CADC now offers the Money Smart curriculum on disc so it can be completed at home or on a public computer at a CADC office.

We believe that money management is the first step toward individuals becoming self-sufficient.

## Why You Need It

CADC offers educational information on topics from building a financial safety net to planning for your idea of a comfortable retirement.

You will receive tips on:

- ✦ Reducing debt
- ✦ Saving money
- ✦ Allocating your assets
- ✦ Planning for the unexpected

Everyday activities can expose you to financial losses. The first step to begin managing those risks is to identify the risk exposures and the losses they can cause.

By developing a Personal Spending and Savings Plan, you will

determine how you need to spend money and then will check to make sure your plan is being followed.

A Personal Spending and Savings Plan is a useful tool to use on your path to success.

*CADC complies with Title VI and VII of the Civil Rights Act*
