Central Arkansas Development Council

Building Futures Through Community Action

How does the Program Work?

The Single Parent Scholarship Fund is designed to remove the barriers often associated with attending school. Funds are typically used for such things as transportation, gas, childcare expenses, books, and tuition.

After scholarships are awarded, CADC establishes an account for each recipient. Funds are managed and distributed by CADC. Each scholarship recipient is provided counseling, information, and referrals in the program.

Education and skill development are key components for an individual's success. CADC is committed to ensuring that all persons of society are valued and encouraged to accomplish their goals.
