## SCAT - South Central Arkansas Transit

SCAT offers a wide range of low-cost transportation services to the general public. Our services are offered in 11 counties and are designed to provide transportation to and from rural areas that previously had little or no transit services.

Transportation can include rides to and from medical facilities, shopping, personal needs, nutrition centers, and much more.

SCAT services include “fixed-route” transit, “demand-response” or door-to-door transportation, transit for field trips, etc.

For more information about services SCAT provides or rates, please contact your local SCAT office.

## Medicaid Transportation

SCAT is also the Medicaid Broker for two regions in Arkansas. Clients that are eligible for Medicaid and have been approved for transportation are provided transportation at no cost to and from Medicaid providers only.

This does not cover transit services for personal needs. Reservations must be made 48 hours prior to the appointment for transportation services.

SCAT can take you where you want to go quickly and efficiently. For more information, call or visit your local SCAT office.

SCAT provides public transportation services for anyone regardless of income, age, or disability.
